

Planning Commission
Monthly Report
5 December 2023

The Planning Commission met on 5 December to address the camping issue. The Zoning Ordinance needed to be updated and the camping section clarified. Documents were sent in and a tentative date was set for the same night as the board meeting in January for a public hearing.

Also working on bringing the “rental home” issue up to date. Our ordinance prohibits them and we cannot, so we are working on language to update the ordinance. Rentals must obtain a state permit for whatever type they fall into. Rentals are permitted but can be regulated. A permit is being drafted too. Once a draft is completed, a Planning meeting will be held to start the process to make the updates.

Respectfully,

Bruce LaLiberte
