Agricultural Clean Sweeps are operating on an "appointment" basis to efficiently and safely serve area farmers, agricultural businesses, and businesses that are very small quantity generators (VSQG). Pre-registration is required to accurately assess eligibility for subsidies and volumes of product. **Please indicate below which location & time slot is best for you.**

Who is a VSQG? VSQG's are small businesses, churches, schools, municipalities, non-profit groups & organizations that generate less than 220 lbs/month & accumulate less than 2200 lbs of hazardous materials at any one time. VSQG'S disposing of ag related pesticides or chemicals may be eligible for 50% disposal cost subsidy. Other businesses must pay all disposal costs for non-agricultural pesticides or chemicals.

Are you registering as a VSQG? ____ YES ____ NO If yes, contact Marinette County Land Information Department at 715-732-7782 for further details on receiving a cost estimate and any additional questions.

How much does it cost? All farmers, abandoned farm owners & agricultural businesses from Marinette County are invited to participate. The first 200 pounds of agricultural waste from an individual farm is accepted free of charge to a farmer/farm owner or the owner of land that was formerly a farm. Ag businesses may be eligible for 50% subsidy.

Please carefully inventory all farm (agricultural) chemicals in your sheds and barns & answer the following questions:

1. I will bring ____ pounds of dry products (e.g., dry flowables, powders, granulars)
2. I will bring ____ gallons of liquid products (e.g., solutions, emulsifiables)
3. I will bring ____ gallons of lead-based paint
4. I will bring ____ number of 30-55-gallon drums.

**DO NOT
MIX ANY
MATERIALS
TOGETHER**

How much product is in each drum? (Give each drum a number and estimate liquid quantity. Drum liquid quantity estimate should not be included in estimate on Question #2.)

5. Do you have any "unknown" chemicals? "Unknown" chemicals could be anything that has no labels identifying the product and you have no knowledge of its use. ____ YES ____ NO ____ UNSURE

6. Will you bring over 200 pounds of chemicals to the site? ____ YES ____ NO ____ UNSURE
